HONORING HISTORY

In 1867, Kentucky Masons realized the need for a place to provide support and care to widows and orphans of fellow Masons who fought in the Civil War. In Kentucky, the Masonic Homes was founded, as the first of its kind in the nation.

Known for a legacy of giving, today the philanthropy continues. The home has evolved into an innovative provider of aging care and other specialized services for people of all ages and affiliations.

Funds raised from this program will be used to support Masons and widows needing assistance while residing at Masonic. Friends of Masonic is another way for individual Masons to help.

Masonic spends more than \$190 per day on each Masonicare residents. Your support will allow us to continue the current support and extend the program to others in need.
