# MEET JOSIE

Teaching love, patience and understanding is a mission we should all support, especially among our littles. Thanks to Sproutlings Pediatric Day Care & Preschool, children of all abilities learn and grow together in an all-inclusive setting.

At two months, Josie Dutschke's pediatrician noticed something abnormal in her development and referred her to physical therapy, a neurologist and genetics testing. According to Josie's mom Jessica, "The next couple of years, were spent "unboxing" who Josie is and what her needs are."

Jessica shared, "Milestones were no longer a benchmark for how we viewed Josie's progress, but we coined them "inchstones" because the smallest victories are worth celebrating."

As veterans of weekly therapies, both in-home and outpatient, thanks to the support of grandparents, things changed for Josie and her parents around age two-and-a-half. They discovered Sproutlings Pediatric Day Care & Preschool.

Now, Josie is a spunky five year old who discovered her voice at Sproutlings. Nicknamed the "Mayor of Sproutlings" by her teacher, Josie has big opinions and big ideas.

Watch Josie's mom, Jessica, share how Sproutlings has positively changed their lives.
