Masonic Homes Kentucky History

In 1867, the Masons realized the need for a place to provide support and care to the widows and orphans of fellow Masons who were fighting in the Civil War. As families in Kentucky were severely affected, the Masons founded Masonic Homes, the first of its kind in the nation, to serve this need.

Known for a legacy of community giving, today the Masons' tradition of philanthropy continues. The once home to widows and orphans has evolved into an innovative provider of aging adult care and other specialized services for people of all ages and affiliations with communities in Louisville, Shelbyville and Northern Kentucky.

2022 Aprons

Honoring Our History

Masonic Lodges played an equally important role in Masonic Home's development. To honor this legacy of giving, Masonic Homes Kentucky introduces the Badge of a Mason Program. Funds raised will be used to support Masons and widows that may need assistance while residing at Masonic Homes.

Each year, we will introduce a special apron for each level of giving that features a rendering of an iconic landmark on the Masonic Homes campuses.

In appreciation, all participating lodges will be recognized at the Master Mason Dinner with a beautiful shadow-boxed apron to be displayed by the lodge in honor.
