Upon execution of a Reservation Agreement and payment of the Reservation Deposit, the above listed Founding Resident Benefits will become a part of the Resident's benefits of occupancy under the terms and conditions of the Reservation Agreement and the Life Care Agreement once executed. In the event of any conflict between the above listed Founding Resident Benefits and the terms of your Life Care Agreement, the Life Care Agreement shall govern.

(1) Once approved for residency, reservation is guaranteed regardless of changes in health between the date of this Reservation Agreement and the Occupancy Date, as long as the appropriate level of care is available. Residency is not guaranteed should Resident no longer meet the financial qualifications between the date of the Reservation Agreement and the Occupancy Date.

(2) Based on Life Care Agreement.

(3) Within construction limits. Founding Resident is responsible for the costs of personalization.
